

Featured Chamber Member of the Month

The Devils Lake Area Chamber of Commerce has adapted a new featured member area with our new website launch. Featured Chamber Members will be chosen at random each month through a drawing, and will appear on the Chamber's website in the order that they are drawn for a period of one month. To become eligible you must be a member in good standing of the Devils Lake Area Chamber of Commerce, have not yet been a Featured Member within the last 12 months, and have returned the entry form back to the Chamber office. The Chamber of Commerce takes pride in representing you and we are looking forward to highlighting your success and achievements!

Company: _____

Contact Information: _____

E-mail Address: _____

Website Address: _____
